December 1, 2022

Dear Supplier:

Northrop Grumman Mission Systems BWI campus is moving its material receiving dock to a new location. The new address will be:

Curtis Bay 1 (P001)  
Northrop Grumman Corporation  
7621 Energy Parkway, Dock 7  
Baltimore, MD 21226

The original "Go Live" date of November 21, 2022, has been extended to January 30, 2023. The plan for updating existing and future purchase orders with the new delivery address will proceed as scheduled and will be followed by a purchase change notice for all existing orders and the new address will be incorporated into all new purchase orders. In the event a delivery occurs prior to the "Go Live" date, personnel will be available at the Halethorpe facility to receive material. Note all delivery dates and other contractual requirements and obligations will remain unchanged. If you have any questions or concerns, please contact the cognizant Buyer listed on the Purchase Order.

**NOTE: The MDC will be closed on Monday, December 26, 2022 and Monday, January 2, 2023 and no Receiving personnel will be present.**

Thank you for your patience and cooperation as we work to complete this change.
