TO: Northrop Grumman Suppliers

FROM: Northrop Grumman Systems Corporation

SUBJECT: New Request for Quotation Process

In an effort to improved efficiency and affordability into our operations, Northrop Grumman will be transitioning to a new Request for Quotations (RFQs) process. **This new process will begin August 30, 2021.**

Going forward EDI suppliers will receive their RFQ through our MyPO system. Non-EDI suppliers will receive a system generated email from our SAP system. In both cases there will be an Adobe interactive RFQ form for you to fill out and submit back to Northrop Grumman. In some isolated cases Buyers / Subcontract Administrators (SCA) will continue to email you RFQs directly.

We look forward to working with your organization as we transition to this new process. Please contact your Buyer / SCA if you have any questions or comments.

Thank you for your continued support.
